

Beauty
VERDIDEA

Description

The thermal waters of Bagno Vignoni have been renowned since the Etruscan period, for their revitalizing and curative characteristics. These waters gush out of the deep in a volcanic region and it is a short underground stretch through calcareous rocks that give them their beneficial properties. In Adler Thermae, innovative architecture and traditional structural elements meet in harmony with the natural environment of the Val d'Orcia. Masterfully situated in an ancient travertine quarry, this wonderful hotel offers its guests professionalism and attention to detail.

Accommodation

90 double superior bedrooms, family junior suites, bio air-conditioning, all bedrooms have satellite tv, mini-bar, telephone, broadband socket, safe, hairdryer, bath/shower, balcony or terrace. Extremely well furnished.

Amenities

Large park, restaurant with splendid panoramic view of the valley, covered garage, cocktail bar, wine cellar, lounge with fireplace and library, internet point, wi-fi connection.

Wellness

Indoor thermal swimming pool, outdoor thermal swimming pool, ludic swimming pool, different kinds of hydromassage, wild river, children's swimming pool with water games, herbal caldarium, Etruscan salty steam bath, olive wood sauna on the lake, steam bath in travertine grotto, Etruscan clay bath, underground salty bath, relaxing area, fitness centre, baths and compresses, massages and physiotherapy, face treatments, bodystyling and thalasso therapy, ayurveda and oriental treatments, yoga, yoga in thermal water, aqua gym, zen-stretching, fit ball, postural gym, pilates, body tonic, gym for joint mobility, stretching, psychomotiv exercises for children, watai-stretch, jogging path.

Description

Situated among the sweet Tuscan hills, this hotel is a romantic and magical residence where you feel as if you are in a dream.

A real monument in the heart of Chianti, the hotel has been converted from a thirteenth century sighting tower, opposite the medieval village of Santo Sano. The antiques in the bedrooms and the lounge tell us the story of the Grand Dukes of Tuscany who passed by here.

In Castellare, we don't limit ourselves to tasting wines, because passion and experience have given life to a refined centre for wine-therapy.

Accommodation

4 suites with air-conditioning, satellite tv, vhs and dvd player, telephone with external line, computer socket, safe, mini bar, hairdryer, in bathroom there are cosmetics "Elisir del Chianti" based on the active ingredients of wine.

Extremely well furnished.

Amenities

Swimming pool, bar, wine cellar, wine-bar.

Wellness

Massages, anti-wrinkle grape cream, stirring wine perfume, wine must for legs, wine mousse for the body, natural cosmetics.

Description

Loved by the Etruscans and Romans, the Bagni di Pisa have been known all around Europe since 1743, when the Grand Duke of Tuscany, Francesco Stefano di Lorena, made it his spa residence, and a meeting place for eminent guests too. The background to this gem of wellness is the art and history found in Pisa and Lucca, the nature represented by the Maritime Park of San Rossore and the high life found in Versilia. Everything will give you the impression of being in a unique place, like walking in the footsteps of famous guests, through the arcades in terracotta tiles adorned with citrus trees, or getting to the Kafé Haus through the wellness centre and glimpsing the sea, or going into the pastel coloured bedrooms with frescos.

Accommodation

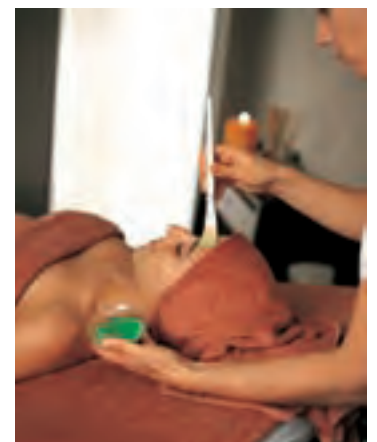

40 comfort bedrooms, divided into deluxe, junior suites, prestige junior suites, junior exclusives with lcd tv, air conditioning, bathrooms with shower and bath. Extremely well furnished.

Amenities

Large park, restaurant, bar.

HOTEL DELLE TERME

Bagni di Stigliano

Description

In the Northern side of Bracciano Lake, near the Etruscan sites of Cerveteri, history, art and culture live masterfully together. The Etruscans were the first population who discovered the beneficial properties of the waters of Stigliano, they venerated them as sacred waters. Even in the Roman era these waters were called "Thermae Stygiane" to underline their magical properties. In fact Tiberio, the emperor, made this place the residence for his thermal treatment. All around it there is a wonderful park with maples, age-old oaks, giant bamboos, and majestic pines. All this is the background to this extraordinary place, full of history and memories.

Accommodation

50 bedroom divided into twin bedrooms and junior suites, all with air conditioning, internet connection, satellite tv, safe, mini bar and all with views over the park. Extremely well furnished.

Amenities

Splendid 20 hectare park, restaurant, snack bar, large car park.

Wellness

Thermal swimming pool with swimming against the stream, central isle for hydromassage, water pressured jets for circulatory stimulation, inhalations, aerosol, pulmonary ventilation, mud treatments, thermal baths with, ozone therapy mud, massages and physiotherapy, cosmetics and aesthetic medicine, grotto.
